

The Final Call

Dated: 13-Mar-2018

As David accumulated mass amounts of gold, silver and costly stones for Solomon to build the temple of God, so also has the Lord Jesus raised up in the 20th century, champions of faith; through whom the Spirit of God has brought to light precious revelation truth in the Scriptures for this end time move of God. The previous century saw an explosive unveiling of kingdom principles, new covenant teaching and the move of the Holy Spirit, hidden since the time of the first century church.

When we consider the Azusa street revival in the early 1900's which brought to light the Baptism in the Holy Spirit. Smith Wigglesworth the Apostle of Faith, the Healing revivals of the 40's & 50's- Oral Roberts, Billy Graham, Brother Hagin and many others. The Charismatic move of the 60's and 70's- Katheryn Kuhlman, Kenneth Copeland. The Word of Faith message of the 1980's- men of God like Fred Price and Charles Capps. The renewal, refreshing and laughter of the 1990's- Rodney Howard Brown, Toronto Vineyard Church. The baton has been handed off to this 21st century generation to pick up where they left off. We are standing on the shoulders of 20th century giants- our spiritual parents. They were the pioneers of the faith message and move of the Holy Spirit; these great cloud of witnesses are now cheering us on to run our race and sprint across the finish line of this Age of Grace.

This is our spiritual legacy today, our inheritance from great moves of God gone by. So we in this 21st century are like Solomon, have inherited vast spiritual riches for the work of God, stored up for this last day harvest and end time revival. As it is written in John 4:38, *"I sent you to reap what you have not worked for. Others have done the hard work, and you have reaped the benefits of their labor."* Like Elisha we have received a double anointing to finish the work of God. As the Early church came in glory, so the end time Church will consummate this age of grace with even greater glory. For this Gospel of the Kingdom will be preached to the ends of the earth and then the end will come. So let's pick up the mantle of revelation and anointing which has been passed down to us, let's go and do exploits, "the Greater Works" in the mighty Name of Jesus until the final harvest of the earth has been reaped!

A final call is being sounded throughout the earth before the Lord's coming for His Church, the final curtain is about to fall for this Age of Grace, and Daniel's 70th week will commence in earnest. So get your house in order my Church I'm coming for my glorious Bride, but before I sweep you away with me into heaven, you have a great work to do in the earth. Now is the time to bring in the final harvest, for today is the day of Salvation says the Lord of Hosts.
